after reading the above, it looks i made a bad choice

mytermittreatmentcosts.com

however, it went on to say that vr training should be supplementary to practice on animal models, cadavers and human patient simulators.

i don't know anything about it;

ratimed.net

i had written a long post and done lots of research and lost the whole thing

dot4med.com

most people here have no personal history of poverty and fail to understand the burden of too many children
