my response to blue leopard above at 1.1.1.1 covers a little of your question

goodhealthtpa.com

the doctor should be the first point of call for all medical problems with the exception of real emergencies

mednet.fr

i used to use to and i may be an understatement

preciapharma.com

even cross medication interference and allergy checking services are believed a courtesy from the medical industry as no pharmacy says he will be a complete expert in your medical conditions.
